Durobond Vermiculite Recoating System

WARRANTY

Clients Name:
Address:
Date of Installation:

Vermiculite Painting Services (VPS) warrants to the Owner that its Durobond Vermiculite Recoating System (DVRS), is applied correctly, to the ceiling of the above address and is free from defects in materials and workmanship from the date of installation and, subject to the following conditions VPS agrees to:

1. Bear the cost of repainting the ceiling if for any reason there is delamination or bleeding through the DVRS. This Warranty also covers discolouration of the vermiculite other than stains acquired after the coating is applied.

for a period of TEN (10) years from the date of installation

This Warranty is in lieu of and excludes all other warranties not expressly set forth herein, whether express or implied by operation of law or otherwise, including but not limited to any implied warranties of merchantability or fitness.

The Warranty is void if subsequent work is done on the ceiling without VPS's prior written approval of the methods and materials used.

VPS shall not be obligated to repair any marking of the vermiculite during building alterations, damage to the installation by contractors or others, explosions, earthquakes or other unusual natural phenomenon or acts of God.

This Warranty covers only the appearance of the DVRS and does not relate to any damage caused to the vermiculite ceiling.

Any claim by the Owner for any claimed defects hereunder, for any cause shall be deemed to be waived by the Owner unless admitted to VPS in writing within thirty (30) days from the date the Owner discovered, or should have discovered, any claimed discolouration or deterioration.
